G&T WITH FEVER-TREE

Enjoy a range of our gins with the world's best mixers from Fever-Tree.

Hayman's London Dry Gin 14.0

Fever-Tree Indian Tonic, orange and thyme.

A long-standing family recipe of just ten botanicals in English wheat spirit for a full day before distillation creates a fresh, bright and classically balanced gin with crisp citrus, subtle notes of exotic spice and the remarkable depth and complexity traditionally associated with the London Dry style.

Four Pillars Dry Gin 14.0

Fever-Tree Mediterranean Tonic, pink grapefruit and rosemary.

Using whole oranges due to Australian citrus being highly aromatic this supports the spicier botanical like cardamom. Tasmanian pepperberry and lemon myrtle results in a truly Australian gin.

Adelaide Hill's Distillery Sunset Gin 14.0

Fever-Tree Aromatic Tonic, pomegranate.

Exhibits notes of fresh red berries with subtle hints of pine and eucalyptus. A further blending of botanicals including strawberry gum, bush apple and rosella adds depth and complexity, to give the finish great balance and intensity, just like a sunset.

Bass & Flinders Monsoon Gin 14.0

Fever-Tree Elderflower Tonic, cucumber and mint.

Refreshingly exotic, Monsoon Gin is infused with spices of the east. The combination of juniper berries, lemongrass, ginger and ginseng creates a smooth, dry gin with a twist.
